EDUCATIONAL NOTES

CHAMBER OF COMMERCE EXTENDS GREETING TO ENDEAVOR WORKERS

(By Walt. LeNoir Church, Secretary Glendale Chamber of Commerce.)

ENDEAVOR PLUS ACHIEVEMENT
In this mystical life of ours education consists of receiving, combining and giving. Receiving from the Father of All; combining with the best and noblest in the receiver; then giving without stint to all who need according to the ability of the giver, and the receptivity of the needy.

The same rule applies alike in the material, mental and moral realms. Admitting that basic definition of education, the Christian Endeavor Society is one of the most vital and effective educational forces now manifesting on the three planes.

Like the Providence which must have guided its earthly founder and its promoters, it is not respecter of persons. It knows neither age nor youth; poor nor rich; great nor obscure; bond nor free; prince nor peasant, as such—for all are children of one Father—all recipients alike of good from one great Giver—mutually interdependent, helping and helped.

The work of that humble prophet of the True, the Beautiful, and the Good—reverend and devotedly revered, Francis E. Clarke, was as the little stone cut out of the mountain that came down from on high to fill the whole earth.

It is like spiritual manna in the desert; like living water in the wilderness gushing from the rock that Moses struck.

In this menacing hour of world history it is good that you army of Endeavorers come to renew our faith, strengthen our hope and revive our moral courage—once more opening apathetic, pur-blind eyes to see that those who are for us are more than those who are against us. It is good to be so reminded that dread of the unknown need not be the fore-running shadow of failure. Faith gives the victory.

It had long been realized that education of the head without training of the heart simply increases one's power for evil. But co-education of heart and head make ever for good. In their altruistic work the Endeavorers daily illustrate the secret and power of love. As was said of one, "She is so selfish, she spends all her waking hours working for others." Giving the best that she had was like sowing good seed which brought harvests an hundred fold.

It is truly said that the secret of the highest power is uniting the outer agencies of expression with the power that works from within.

Is not that very thing achieved by the sincere Christian Endeavor worker who gives something more than lip service? Our educational work is developing, particularly the co-education of heart and head, moved by the spirit that refuses to "lose the name of action."

"What is your slogan?" is still important as ever. But the paramount "final exam." must ever be: "What are you doing?" The spirit abroad in decorated Glendale proclaims that the Endeavorers are achievers also; that the fair dream of years ago has come true.

Just before this magic twentieth century began the writer had, the honor and great pleasure of a hearty hand clasp with Father Clarke, the earthly founder of the Christian Endeavor society, and of being one of the 3000-choir who sang his welcome to Boston. Many legions in that vast building on Huntington avenue were thrilled by his simple story of the mighty Christian Endeavor movement and why he knew it was from God.

Sooner or later he will be among the unseen hosts who inspire the endeavors and guide the achievements of the visible heroes of the Cross. Who can guess what will be his rank in the official staff of the great Captain General over the Army of the Lord.

To all guests of Glendale and all their friends, the Glendale Chamber of Commerce heartily says "Aloha," with all the welcome, good will and kindly wishes implied in that joyous greeting from Hawaii, the Island Glendale far away in the blue Pacific.

No latch string is needed to our wide open doors. Come in to drink a cup of cold pure water ever fresh from the sentinel mountains that keep watch and ward for Glendale.

To the great army of Endeavorers who are so nobly achieving their endeavors, the Glendale Chamber of Commerce heartily says: "Come again—and often. Aloha."

Note: You can get for yourselves

SIXTIETH ANNIVERSARY

N. P. BANKS POST AND CORPS HONOR COMRADE BOCK AND WIFE

On the occasion of the 60th anniversary of their marriage, Mr. and Mrs. Charles Bock of 1521 Vine street were visited and congratulated by a host of relatives and friends. Congratulatory remarks were made by the Rev. Dr. Norton and Mr. Sanford, and the couple were presented with gifts appropriate to the occasion by Rev. Dr. Henry and Robt. Taylor. A very delightful luncheon was served and enjoyable solos rendered by Comrades Henry and Taylor. Mr. Geo. Sheldon took some pictures of the party which will be very interesting to the family and friends. The immediate members of the family present were Mrs. Minnie Starner, Mrs. Ed. Keiner, Mr. and Mrs. G. E. Sheldon, Mr. and Mrs. J. C. Lesaulnier, Mrs. Sledd and two granddaughters, Clara Sledd and Elvina Keiner. One son and daughter were unable to be present. Members of the G. A. R. and W. R. C. were Mr. and Mrs. J. A. Robinson, Rev. Norton, Robt. Taylor, J. J. Spafford, Elizabeth Spafford, G. W. Sanford, Mrs. Margaret Sanford, Mrs. Winona Crawford, T. M. Barrett, J. A. Thayer, H. C. Toman, U. H. Emick, Mrs. J. D. Seymour, Rev. J. H. Henry, R. D. Goss, John Sauer, Thos. Gillett, John B. Hickman, Mrs. S. Houdyshell, Mrs. R. D. Goss, Mrs. A. T. Haskell, Mrs. J. B. Hayes and Ada Atkinson.

FACTORY FOR GLENDALE

Another large business is about to move to Glendale. The Henry-Brown Co., manufacturers of pure fruit juice beverages, of La Crescenta has leased the old Glendale theater on West Broadway and they are remodeling it and putting it in suitable condition for a first class, up-to-date plant. Modern machinery is to be installed and the factory will be a model, sanitary one in every way.

The front part of the building will be used for offices and show rooms and the balance devoted to the manufacture of Killarney Ginger Ale, Sierra Club Ginger Ale and other pure fruit juice beverages.

This company supplies the Owl Drug company exclusively with their famous Killarney Ginger Ale.

The proprietors are Francis J. W. Henry of 1324 Arden avenue and Sidney W. Brown of La Crescenta.

GLENDALÉ COMMANDERY HONORED

Glendale Commandery, No. 53, K. T., was honored by being invited by the officers of Los Angeles Commandery No. 9, K. T., to confer the degree of the temple on two candidates yesterday (Thursday) evening, at the Masonic temple, Los Angeles. Preceding the work the officers, members of the Glendale commandery were entertained at the Haywood hotel, where dinner was served, after which the Sir Knights proceeded to the temple and conferred the degree. The members of the Glendale commandery are to be congratulated for the unstinted praise that was bestowed upon them by Eminent Sir Warren E. Rowley, eminent commander of Los Angeles commandery, for the very excellent and impressive manner in which the degree was conferred. The officers present from Glendale commandery were Eminent Sir Mattison B. Jones, eminent commander; Sir Clem L. V. Moore, generalissimo; Sir Charles L. Peckham, captain general; Sir David G. Crofton, senior warden; Sir Percy J. Priaux, junior warden; Sir C. Irving Mills, prelate; Sir Frank H. Vesper, treasurer; Eminent Sir C. C. Rittenhouse, recorder; Sir George U. Moyses, standard bearer; Sir Mark T. Lee, sword bearer; Sir William S. Rattray, warden; Sir Charles H. Ravenscroft, sentinel, and Past Commander Sir Edward K. Daniels.

BEAUTIFUL SILVER CUP

The beautiful silver cup offered by Mrs. Walter Ross for the most artistic arrangement of any flowers in a vase or bowl was the object of great admiration at the Garden Society reception last night. Entries for this very handsome award can be made this afternoon before 5 o'clock or tomorrow, Saturday, before 9:30 o'clock. The entries will be judged at 10 o'clock sharp Saturday morning. Place, 318 S. Brand, next door to postoffice.

and the secretary will send to your friends whose addresses you leave with him, copies of the Aloha pamphlet just issued by the Glendale Chamber of Commerce.

WILSON APPOINTS MEDIATORS

MEMBERS OF DEFENSE COUNCIL GO TO NEW YORK TO CONFER ON STRIKE QUESTION

(Special Service to Glendale Evening News)
WASHINGTON, March 16.—Secretary Lane, Secretary of Labor Wilson, Samuel Gompers and President Daniel Willard of the Baltimore & Ohio railroad have been named by the president to go to New York immediately to confer with the Brotherhoods and Railroads in an effort to avert a strike. All are members of the National Defense Council which suggested the plan later adopted by the cabinet. In case this plan fails President Wilson is determined to take any action however drastic to prevent a tie-up. The mediators are now on their way to New York for the first meeting to-night.

SPECIAL CABINET MEETING

THE AMERICAN PEOPLE LOOK TO PRESIDENT TO AVERT RAILROAD STRIKE

(Special Service to Glendale Evening News)
WASHINGTON, March 16.—President Wilson has called a cabinet meeting for this afternoon to determine a course of action in the railroad situation. It is admitted that the president's hands are tied in so far as the adoption of drastic legislation to stop the strike is concerned. It is expected that he will make a patriotic appeal to both sides in the controversy or summon them to mediate their differences. It is apparent that the country as well as both disputants look to Wilson to personally avert a strike.

DUMA FACTION GROWS IN STRENGTH

NOBLEMEN OF RUSSIA PLEDGE LOYALTY AND POPULARITY OF PROVISIONAL GOVERNMENT GROWS

(Special Service to Glendale Evening News)
PETROGRAD, March 16.—The Duma announced to-day that they will first restore order before holding a general election, to give the people a chance to name the form of government and their officials. The new government is gaining strength and many noblemen are pledging their loyalty. Prices of foodstuffs are decreasing. A general amnesty has been granted all political prisoners.

ENGLAND SLOW TO ACKNOWLEDGE DUMA

BRITAIN WILL REQUIRE FURTHER INFORMATION BEFORE RECOGNIZING RUSSIAN GOVERNMENT

(Special Service to Glendale Evening News)
LONDON, March 16.—Chancellor of the Exchequer Law told the House of Commons that England will require additional information in regard to the new government established in Russia before expressing herself in sympathy with it.

EQUIP NAVY YARDS

NAVY DEPARTMENT WILL MAKE IMMEDIATE PREPARATION FOR BUILDING BATTLE SHIPS

(Special Service to Glendale Evening News)
WASHINGTON, March 16.—It has been learned that Secretary of the Navy Daniels is seriously considering the immediate equipment of the Puget Sound and Portsmouth navy yards to begin the building of battle ships at once without waiting for the bids of private builders.

WANT NATIONWIDE STRIKE

RADICAL ELEMENT OF RAILROAD BROTHERHOODS OPPOSED TO PROGRESSIVE METHOD

(Special Service to Glendale Evening News)
CHICAGO, March 16.—There is a strong radical element of the Railroad Brotherhoods here who are opposed to the progressive strike and will seek to have a nationwide strike declared.

OBJECT TO ARMED SHIPS

U. S. TO LEARN ATTITUDE OF FOREIGN COUNTRIES ON POLICY OF AMERICAN ARMED MERCHANTMEN

WASHINGTON, March 16.—America has asked the countries of Europe if they will agree to having armed American merchantmen enter their ports. This follows the discovery that there is some objection in foreign countries to the United States arming her ships. Our government claims the right to send battleships into foreign ports as long as we remain neutral. These reports of objections to our policy may be due to German influence.

WOULD EMPLOY STATE PRISONERS

SACRAMENTO, March 16.—A bill was introduced in the Assembly to-day whereby counties have the right to secure prisoners from the state prison and work them on the county highways, the counties to pay the cost of transportation and provide suitable camps.

WELCOME

TO LOS ANGELES COUNTY C. E. DELEGATES BY SAMUEL PARKER

With hearty, earnest clasp of hand,
And words of welcome warm and true,
And all the smiles at our command,
We bring our greetings unto you.
Not boasting eloquence of speech—
In modest phrase we make acclaim—
Hoping your friendly hearts to reach,
So you may understand the same.

Home section of that "Mission" band
Wide spreading since its humble birth.
With helpful "tents" in every land,
With love links clasping all the earth.

Thrice welcome to our hearts and homes,
May you be happy, joyous, well,
Earnest our prayer—that no harm comes
To any, while with us you dwell.

Alas! That o'er this smitten earth
Such darkening clouds of war are spread,
While noisy cannons thunder forth;
Trembles the land 'neath warriors' tread.

Oh! mightier army of the Lord,
Beneath His banner, Prince of Peace,
Until His kingdom is restored,
Your active efforts must not cease.

While war's grim Moloch doth demand
That youth it's wealth of life shall give
To kingly pride, how noble, grand;
Your army work that youth may live.

And ye shall conquer. He hath said,
"The kingdoms of this world shall be
The kingdoms of my son." Be led
By this, His pledge of victory.

No carnal weapons used by you,
No wreckage follows in thy train,
The careless call to life anew,
And urge the "dead" to "live" again.

Go forth, oh youthful, happy throng,
Your hearts with love for Him aflame,
Your weapons prayer, and speech and song,
And conquer in the Master's name.

A DARING STUNT

This morning Lester Meyer of local Overland Automobile Agency, in a stock car, model 90 touring car, accompanied by William Wilson, Vern Freeman and J. M. Shryock, as passengers, drove to the top of Eagle Rock, one of the most daring stunts ever attempted, requiring nerve and coolness on the part of the driver and companions, for a small error in judgment or loss of presence of mind would inevitably result in disaster and a fall of several hundred feet. Accomplishing this seemingly impossible feat shows supreme confidence on the part of the driver in the ability of the car to bear this test and proves its wonderful power, ruggedness and durability. This is the first time that an automobile has been known to reach the top of the "Rock." Pictures were taken and can be seen at Bott's Kodak Store and also at the Overland Agency, Brand boulevard and Colorado street.

FOR OUR VISITORS

How many pretty places are there in the city portion of Glendale to which we can bring our visitors with pride?

How many places are there which offer rest and comfort to our guests?

How many places are there where one can seek shelter from the sun or rest for one's feet?

I don't know of many, but I do most certainly know of one. That will be at 318 S. Brand, next door to postoffice, where the Garden Society folks are holding a free floral exhibit, where delicious tea can be obtained, where a rest room has been provided and where canary birds sing amidst a bower of green.

DEATH OF MRS. GORDON

Mrs. Clara Gordon, wife of W. B. Gordon, passed away at 1010 Maple avenue Thursday evening, March 15, at 11 p. m. Mrs. Gordon was 25 years, 5 months and 25 days old. Mr. and Mrs. Gordon came to Glendale about two years ago when Mr. Gordon accepted a position with the Valley Supply company.

Funeral services will be held Saturday afternoon at 2 o'clock at the Pulliam Undertaking Parlors. Interment will be Forest Lawn.

Delegates chosen to represent Chapter L at the state convention to be held in Hollywood in May are Mrs. May Chase and Mrs. Nettie Brown; alternates, Mrs. Charlotte Campbell and Mrs. Flora Temple.

After the installation of the new officers the chapter adjourned to meet in two weeks with Mrs. Fern A. Roberts.

WEATHER FORECAST—Fair tonight and Saturday. Heavy frost Saturday morning. Light westerly winds.

READING CLUB GROWS

THREE NEW MEMBERS ADDED TO MUTUAL BENEFIT CIRCLE

A rainy day did not prevent a goodly attendance at the Mutual Benefit Reading Circle on Wednesday last, thirty-three women being present. Mrs. H. C. Kennedy, Mrs. Wm. W. Stofft and Mrs. Renner C. Gaede became regular members of the circle, while Mrs. James Connor and Mrs. W. A. Tanner attended as visitors.

At roll call the members responded with gleanings from educational works referring to child culture. Each quotation bore with it a suggestive idea that might be practically applied.

Juvenile recreation in its many forms was discussed. The great socializing value of the game of baseball, contributing as it does to the building up of a democratic spirit, and furnishing an excellent means for the youngster to expend his pent-up energy in a profitable form, was highly recommended by Mr. McKeever. Other forms of amusement were discussed. Says Mr. McKeever, "Now, if there be any such thing as the divine right of boys, this principle goes into effect on circus day at sunrise, when the caravans arrive and lasts till the close of the final act at about 4 p. m."

As to picture shows Mr. McKeever says: "In the not distant future, all the modern schools will have installed motion picture apparatus, so that geography, history, commerce, physiography, physiology, and many other subjects will receive much new and inspiring assistance thereby. We hail with delightful anticipations the day when these good things shall have come to pass."

Mr. McKeever looks upon the Boy Scout movement as a very excellent solution of the inherent desire of boys to gather in gangs, for good or ill intent, which manifests itself in every boy around the age of ten. As there is always a responsible leader provided, the activities of the group of boys may be directed into good channels. The love of the boy for the open and the wilderness is gratified on the hikes, and many very valuable lessons are also taught. To quote Mr. McKeever again: "Such lessons as those covering first aid to the injured; the helping of a weaker member to accomplish something; the construction of tents and camps, including specific sanitary arrangements; the going on errands of mercy and relief; the earning of a portion of the means to carry on the scout work—all these are important matters and others like them should engage the attention of every boy scout."

The Social Experiences of the Boy will be discussed next Wednesday. Anyone interested is invited to visit the circle. The meetings are held at the home of Mrs. Charles H. Toll, 1635 Kenneth road, at 11 a. m.

P. E. O. MEETING

The ladies of Chapter L of P. E. O. gathered at the beautiful home of Mrs. Cora Ramsey, 437 So. Adams St., March 14, at 10:30, for an all-day meeting.

There was a good attendance, the principal business of the day being the election of officers for the ensuing year.

After the usual routine of business matters the annual reports of the year's work were given by the retiring officers.

The session adjourned at 12:30 to partake of the delicious refreshments provided by the hostess and her assistants, Mrs. Ramsey, Mrs. Chase, Mrs. Cheever, Mrs. Danford and Mrs. Randolph.

After lunch the meeting was again called to order by the president, Mrs. Charlotte Campbell, and the election of officers took place, resulting as follows:

President, Mrs. May P. Chase; vice president, Mrs. Nell Maxwell; recording secretary, Mrs. Edith Hunchberger; corresponding secretary, Mrs. Flora Temple; treasurer, Mrs. Cora H. Ramsey; chaplain, Mrs. Jessie Mitchell; guard, Mrs. Pearl Tower; historian, Mrs. Lydia M. Border.

Delegates chosen to represent Chapter L at the state convention to be held in Hollywood in May are Mrs. May Chase and Mrs. Nettie Brown; alternates, Mrs. Charlotte Campbell and Mrs. Flora Temple.

After the installation of the new officers the chapter adjourned to meet in two weeks with Mrs. Fern A. Roberts.

PALACE GRAND THEATER SATURDAY, MARCH 17

Hailed as one of the most wonderful photodramas of the age, the cinema masterpiece, "Joan the Woman," in which Geraldine Farrar is seen as the immortal Joan of Arc will be seen at the Palace Grand theater March 17. Never in the history of photodrama exhibitions has a production aroused such universal comment and praise as has this latest and greatest of all productions.

All dramatic reviewers, untinted in their praise of the story, its masterly direction, the wonderfully artistic acting of Geraldine Farrar, the star, the magnificent support of her accompanying organization of artists, the grandeur of the spectacles and the marvelous photography have announced the photodrama as the

Geraldine Farrar in "Joan the Woman"

greatest achievement of the screen. The story of this famous Maid of Orleans has been handled in a most unusual manner. The spirit of Joan of Arc is inspiring to the men on the battlefields of France today. She is the patron saint of the French army and in a brilliant and wonderful manner Miss McPherson adroitly weaves a modern story into the rise and martyrdom of the maid.

Miss Farrar has been surrounded with a cast of famous stage and screen favorites, some of whom are: Wallace Reid, Theodore Roberts, Hobart Bosworth, Tully Marshall, Raymond Hatton, Charles Clary, Cleo Ridgley, Hugh Koch, O. H. Geldert, William Conklin, William Elmer, Lillian Leighton, Marjorie Daw, Ernest Joy, Hal Clements, Walter Long, Gertrude Kellar, Mrs. Lewis McCord, John Oaker and others.

HAPPILY DISPOSED OF

"Mr. Beats," the grocer said wearily, "I ask you for the last time will you pay me that \$20 you owe me?"

"For the last time?" Beats replied cheerfully. "I'm glad to hear you say that, old man. You know I was getting awfully tired of hearing you ask that foolish question."

TEA AND FLOWERS

At the Free Floral Exhibit to be held all Saturday and Sunday tea and wafers or light cakes will be served by the energetic members of the Glendale Garden Society at a very moderate price in order to help take care of the many visitors and strangers in our city. A rest room has also been provided. The premises at 318 S. Brand have been converted into a fairly bower of greenery and fragrance and the exhibit is open to the public.

HOLD FOR A RISE IN PRICE

Until recently little Esther was the only child in the family and the arrival of a baby brother was regarded by her as something of an intrusion. In every way her fond parents endeavored to cultivate in her an affection for the little stranger, but to all outward appearances she had not softened. Wishing to ascertain if she cherished a feeling for him, perhaps unknown to herself, her father said to her one day: "Esther, a man came into my office today and said he would give me one hundred pounds of candy and enough money to buy all the toys in the city if I would sell him baby brother. That is a great deal for such a little fellow. Shall we sell him?"

An eager assent trembled on the little girl's tongue, but she hesitated and a cunning look came into her brown eyes.

"No, don't father," she said, tremulously. "I'll try to stand him." "Oh, my little girl is commencing to love baby, then?" said the father, happily.

"N-no, I ain't," came the slow reply. "But if you can get so much for him now, I guess you could get twice as much when he's grown bigger!"—S. C. Clarke, Rhode Island.

PRETTY TALL

Pat had gone back to Ireland and was telling about New York.

"Have they such tall buildings in America as they say, Pat?" asked the parish priest.

"Tall buildings, ye ask, sur?" replied Pat. "Faith, sur, the last one I worked on we had to lay on our stomachs to let the moon pass."—Mrs. Wheeler G. Batchelder, Vermont.

The Lyman M. Law is not the only law that has been torpedoed.—Philadelphia Record.

ANNUAL "SHAMROCK" SALE

of Household Linens, White and Colored Wash Goods, Laces, Embroideries, Ribbons and Art Goods
COMMENCING SATURDAY
ST. PATRICK'S DAY, MARCH 17
CONTINUING UNTIL END OF MONTH

A St. Patrick's Day Souvenir

Realizing the interest taken in St. Patrick's Day and the "Sprig o' Green," which is so distinctively Ireland's emblem, we have obtained a quantity of beautiful little Shamrock plants, grown on this fertile soil from genuine Irish seed and neatly planted in little earthen pots. And on Saturday, the opening day of our sale, with purchases of \$1.00 or over, you may obtain one of these dainty Shamrock plants free while they last.

We are offering wonderful values in dependable Linens during this sale, values you will not be able to duplicate for a long time. Make it a point to visit our store on St. Patrick's Day. You will enjoy seeing the new spring wash goods and Linens now on display.

Free Embroidery Lessons

We have built a cozy little sewing and rest room towards the rear of the store, which we want our customers to take the fullest advantage of. Here we give free instruction in needlework with materials purchased. Come in any time during the day. If waiting for a car you will find this rest room a pleasant retreat from the hot sun.

Personals

Born to Mr. and Mrs. R. L. Taylor, 1318 West 9th St., Monday, March 12, 1917, a daughter, Florence Helen.

The excavating has begun for the new Studebaker building at Brand and Colorado street and work will be pushed until completed.

Our ex-townsmen, J. C. May, now of Victorville, was in Glendale Thursday shaking hands with his many Glendale friends and never losing a chance to boost Victorville.

John Easton, whose home is at 220 West Third street, Glendale, is seriously ill. About two weeks ago his right leg was amputated just below the knee, and his age, which is 73, is against his recovery from the operation.

The annual meeting and election of officers of the West Glendale W. C. T. U. took place on Tuesday afternoon at the home of Mrs. E. M. Cook, 1608 West Fifth street. The following officers were elected: Mrs. W. H. Hyatt, president; Mrs. Florence Smith, vice president; Mrs. Pierce, secretary; Mrs. J. M. Moore, corresponding secretary, and Mrs. Eva Waller, treasurer.

The Shakespeare section of the Tuesday Afternoon club meets Monday afternoon next at the home of Mrs. W. E. Evans, 113 Orange St., at 2 o'clock. Once again the kind hostess has extended the pleasure to members to invite guests. The last two acts of The Tempest will be rehearsed and the next study, Twelfth Night, will be outlined. A most profitable and pleasureable afternoon is looked forward to.

That Glendale can boast of many literary marvels was demonstrated yesterday at the meeting of the Ladies' Aid of the First Methodist church, who held their regular monthly meeting. One hundred and fifty invitations were sent out asking each lady to earn \$1.00 to apply on a gas range for the new church and to tell the meeting in rhyme how they earned it. The result was most satisfactory and the explanation of the way in which the dollar was "gathered in" was very amusing—many of the ladies who have evidently been hiding their poetical talents heretofore are now on the highway to fame.

GOD LOVES FLOWERS

Believing that God loves flowers on Sundays as well as Saturdays it has been arranged to keep open the free Floral Exhibit during Sunday.

NANNO WOODS, Pres.

SECURED COMPETENT FOREMAN

John H. Fanset of the Fanset Dye Works, 1108 West Broadway, has secured a foreman for his pressing, shaping and repairing department that is proving himself to be a competent workman for that position. This gentleman is O. H. Belew, who has had twelve years' experience in this line of work in Kansas City.

TYPHOID DUE TO POLLUTED SHELLFISH

Forty-two cases of typhoid fever, the source of which was traced to contaminated oysters, recently occurred in San Diego. During the past year attention has been called by the California State Board of Health several times to cases of typhoid fever contracted by eating raw clams. In fact, typhoid infection received through polluted shellfish has become of such frequent occurrence in California that the need for the establishment of adequate measures for prohibiting the taking of shellfish from any areas subject to sewage contamination is imperative. To this end, a bill empowering the State Board of Health to examine sources from which shellfish are taken and making it unlawful to take them from contaminated sources, if determined by the State Board of Health to be a menace to health, has been introduced in the assembly.

The death rate for typhoid fever in California was reduced in 1916 to 7.1 per hundred thousand population. In 1915, the mortality rate for typhoid fever was 9.7 per hundred thousand population. The reduction in this rate since 1906 has been quite remarkable, for in that year the rate was 32.2 per hundred thousand population. In the last number of the Bulletin there was found a chart showing graphically the number of lives, 4400, that have been saved because of the establishment of active measures in control of typhoid fever. There is room for still greater improvement, however. California should have a typhoid death rate below 5.0 per hundred thousand population. Whether we shall attain this desired rate by 1918 depends to a great extent upon the co-operation of all citizens in the enforcement of those measures that have to do with the prevention of the disease.

"Nora," said the mistress to the new servant, "we always want our meals promptly on the hour."
"Yis, mum. An' if I miss th' first hour shall I wait for the next?"

Look for J. F. Chandler's advertisement.

WHAT WE NEED

One may have all that he wants and yet be far from possessing all that he needs. Deep in the heart of every human being abides the need of something that shall lift his life above the petty limitations of personal desires and aims, and endow it with a loftiness of purpose and a breadth of thought and feeling unknown to those whose only care is for themselves. We need the ambition not only to promote the welfare of those whose happiness is our special care, but in this and all permitted ways to render service to the world at large. We also need the conscious endeavor, through the integrity and kindness of our own life to deserve the approval of our Father in heaven. Only those whose lives are ennobled and enriched with the joys which the fulfillment of such desires as these afford, are truly happy.

Those whose energies of heart and brain are devoted to interests larger than their own have little time or inclination to think about themselves. You will not hear them complain that they are not appreciated and that the world has treated them meanly. Theirs is the blessedness of devotion to unselfish ideals; and how much or how little of what is called personal enjoyment may go with it, is a trifling matter.—The Universalist Leader.

WORLD BEING REDEEMED

What we see around us is not a world really redeemed, but only a world that is being redeemed. The actual redemption of humanity is coincident with its normal and spiritual progress, and can be accomplished only by the slow and constant operation of the spirit and power of God. But the divine power is no abstraction, and the divine spirit no wandering ghost. The unity of power is not God, not man, in isolation. God in the world, reconciling it to Himself, means God and man working together; the divine power and spirit in human hearts and lives,

We Are Doing Our Best

To hold prices down and are selling many things, especially in canned goods, cheaper than we can buy them to-day. This is not "business ethics," but common humanity. For instance, the tomatoes we sell 2 cans for 25c cost to-day 13 1-3 cents a can. The corn we sell for 10c costs 10 1-2c. Pork and beans we sell for 10c cost the same sum; 15c cans cost 17c (\$1.95 a dozen). Tomato sauce at 5c that costs 62 1-2c a dozen, and so on.

To economize, buy Stetson's or Melrose pork and beans at 10c, 3 for 25c; 15c, 2 for 25c; 20c, 2 for 35c. Van Camp's and Heinz beans, same sizes, sell for 15c, 20c and 25c. Buy Royal Macaroni, Spaghetti, Noodles or Vermicelli at 3 for 25c. Finest kind of rice for 5c a pound. Tomatoes at 10c a can, and with bread at 10c for a 24 oz. loaf, you can make up several appetizing meals at low cost. We'll help you out all we can to reduce the H. C. of L.

If your early potatoes froze out, we can supply you with seed to replant.

A SPIRITUAL VICTORY

The Reformation was a spiritual victory. It was a triumph within the soul. It was an inner experience before it was an historical fact. But spiritual triumphs affect the entire man; they are never confined to the soul; they are never isolated. And therefore the church was not the only beneficiary of this great conquest; every phrase of human life felt the power of its divine impact. It emancipated the human mind. The fetters of a worn-out philosophy were shattered and an unrestrained, free inquiry and research became possible. It made illiteracy unnecessary and if followed consistently a godless literacy impossible. It pervaded the sphere of civil life.—John C. Seegers in American Lutheran Survey.

"What is the price of this embroidered skirt?"
"Madam will find the skirts on the next table—that which she has is the new cape collar!"—Chicago Herald.

TRUSTEES' MEETING

TRANSACTION LARGE VOLUME OF BUSINESS AT REGULAR WEEKLY SESSION

The regular meeting of the board of trustees of the city of Glendale was held in the City Hall Thursday evening, March 15, 1917. There were present J. S. Thompson, president of the board, and Trustees Chas. Grist, R. M. Jackson, F. L. Muhleman, G. B. Woodberry. Also present T. W. Watson, city manager; J. C. Sherer, city clerk; W. E. Evans, city attorney; H. B. Lynch, manager public service department; Edw. M. Lynch, city engineer; G. H. Herald, city marshal; A. H. Lankford, fire marshal.

The minutes of the last regular meeting were read and approved.

On motion of Trustee Woodberry the hearing in regard to reassessment of La Canada boulevard was taken up at this time. In this connection protests were received from E. R. Pirtle protesting against any assessment being levied against lot 176, tract 250, and from W. Lindsay protesting against any further assessment on lot 27; also communication from F. P. Newport company setting forth the reasons for that company's objection to the present assessment. Mr. Boswell, another interested property owner, was also present and entered a verbal protest. On motion of Trustee Woodberry, the city engineer was instructed to make a reassessment in the district to be assessed for the improvement of Canada boulevard, by unanimous vote.

Report of tax collector was presented for the week ending March 14th showing collections of \$230.68, making the total collected to date \$39,305.12. The report was ordered to be filed.

Mr. Newport addressed the board calling its attention to the desirability of systematic tree planting along Canada boulevard, stating that his company desired to have such work done according to a uniform plan as nearly as possible. It was suggested to Mr. Newport by the chairman of the board that he present a petition to the board of trustees asking for action in this matter under the tree planting law.

The city manager reported in regard to deeds for alley between Louise and Kenwood streets, that the matter of title to the property necessary for this improvement had been satisfactorily arranged by deeds from parties in interest. He made a report in regard to the congestion of traffic at Broadway and Brand boulevard, presenting a diagram making clear the conditions.

A communication was read from A. C. Robinson setting forth his claims to certain pipe lines in the neighborhood of Valley View road and Lorraine street, North Glendale, stating that the city of Glendale claims to be the owner of said property, having purchased and paid for the same, and making demand upon the city for the amount of the valuation put upon the property by the railroad commission in addition to a further sum for the use of said property since January 1, 1915. In connection with this matter the manager of the public service department stated that this pipe line had been purchased from L. C. Brand as a part of the system secured by the city of Glendale when it took over his interests; that Mr. Brand guaranteed and still guarantees his ownership in the property and will stand between the city of Glendale and any claimant. Upon motion the communication was ordered to be filed and the manager of the public service department instructed to answer the same and to send a copy of Robinson's notice to Mr. L. C. Brand.

The manager of the public service department reported loss of warrant No. 3119, issued in favor of the Neptune Meter company, December 7, 1916, which that company claims to have lost, and requesting authority of the board to stop payment on the original and to issue a duplicate. On motion of Trustee Jackson a duplicate warrant was ordered to be issued in favor of the Neptune Meter company, provided the company furnish the proper guarantee for the protection of the city.

The manager of the public service department requested authority to put in a bid on lighting standards in the Casa Verdugo territory. On motion of Trustee Muhleman he was authorized to submit a bid as requested.

The manager of the public service department reported as having received a small dividend from the State Compensation Insurance fund.

At this time it was ordered that bids for the purchase of the reservoir lots on Verdugo road be opened, read and publicly declared. Only one bid was received, that of Alice C. Woodberry, which was opened and read, offering the sum of \$1501.00 on condition that the property be restored to the original contour of the land, all cement work removed and a clear title furnished. If the contour of the land should be restored by the city a suitable amount be deducted from the sum of this bid for the cost of such work. The bidder further agreed to allow the city the use of the premises until such time as the city's pumping plant on San Fernando road should be in full operation.

eration and until a new high line reservoir shall be constructed. The bid was accompanied by a certified check for \$155.10.

On motion of Trustee Muhleman, the bid was referred to the Manager of the Public Service Department for examination and report.

The Manager of the Public Service Department reported back favoring the acceptance of the bid, and on motion of Trustee Jackson, the bid of \$1501.00 was ordered to be accepted for the property and an allowance of \$251.00 deducted from the full amount for the restoration of the land to its original contour and for the removal of cement by the following vote: Ayes: Grist, Jackson, Muhleman, Thompson. Trustee Woodberry not voting.

The City Attorney made a report covering his trip to Sacramento in the interest of certain legislation in regard to street work desired by the City. His report in substance was to the effect that the bill had been presented to the legislature in due form and referred to the committee on Municipal Corporations, which he doubted not would report favorably upon the same, and so almost insure the adoption of the bill and the securing of the desired legislation.

The City Attorney presented an easement from the Pacific Electric Railway Company in the form of a deed to a strip of land 23 feet in width on Broadway in the City of Glendale. On motion, the deed was ordered to be received and recorded.

The City Attorney read a letter which he had received from Bertha Gecman complaining of the practice of the Ford Agency in lining up automobiles in front of her property on Kenwood street. In connection with this matter, the City Marshal made a report to the effect that he had seen the manager of the Ford Agency who had assured him that the practice would be discontinued as far as keeping machines standing in front of the complainant's residence is concerned.

At 10:50 p. m. the Board took a recess and reconvened at 10:50 p. m.

On motion of Trustee Muhleman, it was ordered that a communication which had been prepared by the City Attorney be sent to the F. P. Newport Company, the Verdugo Land Company, F. P. Newport and O. J. Wigdell, requesting to be informed of the plans and intentions of these parties as to a sewer system or other means to be adopted for the prevention of the pollution of the domestic water supply in Verdugo Canyon.

On motion of Trustee Muhleman, "An Ordinance of the City of Glendale regulating the sale of bread and fixing the standard of weights thereof," was taken up for the first reading. On motion, this ordinance was declared read for the first time and was taken up for the second reading. On motion, this ordinance was declared read for the second time and was laid over till the next regular
